

IMPORTANT TERMS OF OUR HOME EQUITY LINE OF CREDIT PLAN (MI)

This disclosure contains important information about our Home Equity Line of Credit Plan. You should read it carefully and keep a copy for your records.

AVAILABILITY OF TERMS: All of the terms described below are subject to change. If these terms change (other than the annual percentage rate) and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you pay to us or anyone else in connection with your application.

SECURITY INTEREST: We will take a security interest in your home. You could lose your home if you do not meet the obligations in your agreement with us.

POSSIBLE ACTIONS: We can terminate your line, require you to pay us the entire outstanding balance in one payment, and charge you certain fees, if (1) you engage in fraud or material misrepresentation in connection with the plan; (2) you do not meet the repayment terms of this plan; or (3) your action or inaction adversely affects the collateral or our rights in the collateral.

We can refuse to make additional extensions of credit or reduce your credit limit if (1) any reasons mentioned above exist; (2) the value of the dwelling securing the line declines significantly below its appraised value for purposes of the line; (3) we reasonably believe that you will not be able to meet the repayment requirements due to a material change in your financial circumstances; (4) you are in default of a material obligation of the agreement; (5) government action prevents us from imposing the annual percentage rate provided for in the agreement; (6) the priority of our security interest is adversely affected by government action to the extent that the value of the security interest is less than 120 percent of the credit line; (7) a regulatory agency has notified us that continued advances would constitute an unsafe and unsound business practice; or (8) the maximum annual percentage rate is reached.

MINIMUM PAYMENT REQUIREMENTS: You can obtain credit advances for 5 years. This period is called the "draw period." At our option, we may renew or extend the draw period. During the draw period your monthly payment will equal the finance charges (interest) that accrued on the outstanding balance during the preceding month or \$25.00, whichever is greater. Your payment will include any amount past due and any amount by which you have exceeded your credit limit, and all other charges. If the interest rate increases, you will be required to make a higher payment. After the draw period ends, there will be no repayment period and you will be required to repay the principal that is outstanding on your plan. You will be required to make a single balloon payment at that time. Unless otherwise required by applicable law, we are under no obligation to refinance the balloon payment at that time. You may be required to make payments out of other assets you own or find a lender, which may be us, willing to lend you the money. If you refinance the balloon with us, you may have to pay some or all of the closing costs.

MINIMUM PAYMENT EXAMPLE: If you made only the minimum monthly payment and took no other credit advances it would take 5 years to pay off a credit advance of \$10,000 at an **ANNUAL PERCENTAGE RATE** of

6.0%. During that period, you would make 59 payments of \$46.03 to \$50.96 and a final balloon payment of \$10,050.96.

FEES AND CHARGES: You must pay certain fees to third parties to open the plan. These fees generally total between \$100.00 and \$1,000.00. If you ask, we will provide you with an itemization of the fees you will have to pay to third parties.

The Credit Union may pay third party fees on your behalf. These fees will be disclosed on the Addendum you receive upon the opening of your Home Equity Line Account. If you close the Account within 12 months of the date of the Credit Agreement, you will be required to reimburse the Credit Union for those fees that were paid on your behalf.

PROPERTY INSURANCE: You must carry insurance on the property that secures this plan.

REFUNDABILITY OF FEES: If you decide not to enter into this plan within three days of receiving this disclosure and the home equity brochure, you are entitled to a refund of any fee you may have already paid.

TRANSACTION REQUIREMENTS: The minimum credit advance that you can receive is \$500.00 for the first advance and \$500.00 for each subsequent advance.

TAX DEDUCTIBILITY: You should consult a tax advisor regarding the deductibility of interest and charges for the plan.

VARIABLE RATE FEATURE: This plan has a variable rate feature and the annual percentage rate (corresponding to the periodic rate), the minimum payment and/or the amount of the balloon payment, if any may change as a result. The annual percentage rate includes only interest and no other costs.

The annual percentage rate is based on the value of an index. The index is the Prime Rate published in the *Wall Street Journal*. When a range of rates has been published, the highest rate is used. The interest rate will change each time Wall Street Prime Lending Rate changes.

To determine the annual percentage rate that will apply to your account, we add a margin to the value of the index. Ask us for the current index value, margin and annual percentage rate. After you open a plan, rate information will be provided on periodic statements that we send you.

RATE CHANGES: The annual percentage rate can change each time the index changes. There is no limit on the amount by which the annual percentage rate can change during any one year period. The maximum **ANNUAL PERCENTAGE RATE** that can apply is 25%. However, under no circumstances will your **ANNUAL PERCENTAGE RATE** go below 5% at any time during the term of the Plan.

MAXIMUM RATE AND PAYMENT EXAMPLES: If you had an outstanding balance of \$10,000, the minimum payment at the maximum **ANNUAL PERCENTAGE RATE** of 25% would be \$212.33. This annual percentage rate could be reached at the time of the 1st payment.

HISTORICAL EXAMPLE: The following table shows how the annual percentage rate and the minimum payments for a single \$10,000 credit advance would have changed based on changes in the index over the past 15 years. The index values are from the last business day of July of each year.

The table assumes that no additional credit advances were taken, that only the minimum payments were made, and that the rate remained constant during each year. It does not necessarily indicate how the index or your payments will change in the future.

While only one payment per year is shown, payments may have varied during each year.
